

KARUN BINNY

MASTER IN COMPUTER APPLICATIONS

+91 7994444938 LINKEDIN PORTFOLIO WEBSITE karunbinny867@gmail.com Kottayam Kerala India 686540 GITHUB

PROFESSIONAL SUMMARY

"Ambitious MCA student with expertise in front-end development, web design, and database management. Proven problem-solving skills, collaborative team player with leadership abilities. Passionate about software development, process optimization, and project management. Adaptable and driven to leverage technical skills and analytical thinking in fast-paced environments."

EDUCATION

- Master of Computer Application (MCA)** - Mahatma Gandhi University, Kerala India. (2024 – Present)
- Bachelor of Computer Application (BCA)** - Mahatma Gandhi University, Kerala India. (2021 – 2024)

SKILLS SUMMARY

- Languages** : Python, SQL, JAVA, C, C++, PHP.
- Tool** : chatGPT, PowerPoint, Bootstrap, MySQL, Adobe Photoshop, Canva, GravityWrite.
- Platforms** : PyCharm, Jupyter Notebook, Visual Studio Code.
- Soft Skills** : Excellent communication, Presentation, Leadership, Teamwork, Attention to detail, Adaptability.

PROJECTS

PETALS WEBSITE [VIEW](#) (July 2025)

Technologies Used: HTML, CSS, JAVASCRIPT.

- Constructed a user-friendly e-commerce platform with streamlined navigation and a seamless checkout process, achieving a 95% satisfaction rating based on post-purchase customer surveys.

PORTFOLIO WEBSITE [VIEW](#) (June 2025)

Technologies Used: HTML, CSS, JAVASCRIPT.

- Crafted a portfolio website with optimized performance, search engine visibility, and seamless user interaction.
- A high-performance portfolio website with optimized and fast animations.

MINIMALISTIC KEYBOARD [VIEW](#) (June 2025)

Technologies Used: HTML, CSS, JAVASCRIPT.

- Developed a minimalist virtual keyboard with responsive design and real-time typing display, highlighting front-end development and UI skills.

DIGITAL CLOCK WITH API [VIEW](#) (May 2025)

Technologies Used: HTML, CSS, JAVASCRIPT.

- Built a dynamic digital clock with dark and light modes, showcasing front-end development skills in creating interactive and responsive interfaces.

WEATHER USING API [VIEW](#) (MAY 2025)

Technologies Used: HTML, CSS, JAVASCRIPT.

- Built responsive websites with optimized performance and dynamic features, while contributing to efficient database design.

FRONT END PROJECTS [VIEW](#) (August 2023 - January 2024)

Technologies Used: HTML, CSS, JAVASCRIPT, PYTHON, PHP, MYSQL.

- Created a responsive weather app with real-time data integration, delivering current conditions, forecasts, and alerts, while demonstrating proficiency in API handling and UI design.

CERTIFICATES

Web Designing (Udemy) | 2022

- Developed interactive and aesthetically appealing web interfaces, implementing modern design trends, typography etc.
- Gained expertise in UI/UX design principles and responsive web development using HTML, CSS, and JavaScript.

C & C++ (Udemy) | 2023

- Mastered fundamental programming concepts, including OOP, control structures, and data structures.
- Built hands-on projects to strengthen problem-solving and logical thinking skills.

Project Management Basics (Simplilearn) | 2024

- Understood core project management methodologies, including Agile, Scrum, and Waterfall, for effective execution.
- Learned best practices for planning, executing, and closing projects efficiently while managing risks and timelines.

SQL for Data Analysis (LinkedIn Learning) | 2025

- Learned foundation to intermediate-level skills in writing SQL queries.
- Gained practical experience with real-world datasets to perform data analysis.

Python (LinkedIn Learning) | 2025

- Acquired foundational to intermediate-level skills in Python programming, including variables, data types, operators, and control flow.
- Gained practical experience by writing scripts and solving real-world problems using functions, loops, and data structures like lists and dictionaries.

LANGUAGES

MALAYALAM : NATIVE. ENGLISH : FLUENT. HINDI : BASIC PROFICIENCY SPEAK WRITE. TAMIL : CONVERSATIONAL.

EXTRA SKILLS

- **TYPING SPEED** : High-speed typist with a maximum speed of 62 wpm and consistent speed of 45+ wpm. **VIEW**
- **DOCUMENTATION** : Skilled in creating clear, concise, and accurate documentation for various purposes, including technical guides, user manuals, and project reports.
- **WORKSPACE ORGANIZING** : Highly organized workspace manager with strong discipline and efficiency.
- **DEADLINE MANAGEMENT** : Consistently meets deadlines with high-quality results, prioritizing tasks and managing time effectively.
- **SELF MOTIVATED** : Highly motivated and driven, with a proactive approach to challenges and opportunities.
